LASRI ABDERRAHMANE

Seeking my first permanent contract to apply my skills in electronics, electrical engineering, and automation.

Rigorous - Creative - Motivated - Adaptability - Teamwork

25, single   +33 765617058   abderrahmanelasri9@gmail.com   Driving Licence B   Compiegne, France

EDUCATION

State Engineering Diploma (Double Degree)
Mecatronics, Actuators,Rotisation and Systems
University of Technology of Compiegne (UTC)
sept. 2022 Mars. 2025
Compiegne,Fr

State Engineering Diploma
Electrical Energy and Digital industry
National School of Arts and Crafts (ENSAM)
sept. 2020 July. 2022
Rabat, Mar

University Diploma of Technology (DUT)
Electrical Engineering
Higher School of Technology
July. 2020 Sept. 2018
Agadir, Mar

Technical Baccalaureate
Electrical Sciences and Technologies
Technical High School Al-Idrissi
July. 2018 Sept. 2016
Agadir, Mar

PROFESSIONAL EXPERIENCE

Internship
Defta Group (Defta Essomes)
Fev – Jul. 2024
Essomes sur marne

Improved a production line by **automating** a conveyor system .

Internship
Gegatronic
Jul - Aug. 2021
Ait Melloul

Designing and building an intelligent greenhouse (IOT).

Internship
Pprime SARL
Jul. 2020
Agadir

Automation of a lifting system.

Internship
Marsa Maroc
Aug. 2019
Agadir

Repair of electrical kennels at the Agadir commercial port.

Internship
Ramsa Maroc
Jul. 2019
Agadir

Wiring of electrical cabinets.

ACADEMIC PROJECT

End of study project (EST, Morocco)
Electrification of a pumping station under stress

Sized submersible pumps and **selected** electrical equipment.

SKILLS

Automation and Sensors :

TIA PORTAL / STEP 7 / IV2,IV3 NAVIGATOR / ZELIOSOFT2 / SEE ELECTRICAL

Project Management :

MS OFFICE / GanttProject / JIRA / SCRUM / KANBAN / TRELLO

IDEs :

MATLAB-SIMULINK / MPLAB / ECLIPSE / ARDUINO / PROTEUSS ISIS

Other :

CATIA V5 / DEV-C++ / PIC16F84 /68HC12

OTHER ACTIVITIES

FABLAB Association (UTC, France)
Building a mesuring device

Built prototyped measurement of a heart rate monitor using an Arduino board.

UTC Event (UTC, France)
Guide at the UTC event

Active membre in the event.

Electrical Engineering Club (ENSAM, Morocco)
Prototyping

Prototyping using Arduino.

ENACTUS Club (EST, Morocco)
Event organization

As a club membre. I contributed to the succes of the organization of « Glissa sans Cravate » Event.
